

High Power Replacement Bulbs

DecaLED® High power MR16

Product specification

Voltage	12V AC - DC
Power consumption	5W max
Dimensions	Ø 50 x 50 mm

Code	Description	Price
95103121	DecaLED® HP MR16 3W red	See pricelist
95103122	DecaLED® HP MR16 3W green	See pricelist
95103123	DecaLED® HP MR16 3W blue	See pricelist
95103124	DecaLED® HP MR16 3W white 7500K	See pricelist
95103125	DecaLED® HP MR16 3W amber	See pricelist
95103128	DecaLED® HP MR16 3W warm white 3000K	See pricelist

Code	Description	Price
95119124	DecaLED® HP MR16 5W white 7500K	See pricelist
95119128	DecaLED® HP MR16 5W warm white 3000K	See pricelist
95119125	DecaLED® HP MR16 5W amber	See pricelist

DecaLED® HP MR11

Product specification

Voltage	12VAC - DC
Power consumption	1W
Dimensions	Ø 35 x 35 mm

Code	Description	Price
95105124	DecaLED® HP MR11 white 7500K	See pricelist
95105128	DecaLED® HP MR11 warm white 3300K	See pricelist

DecaLED® G4 lamp replacement

Product specification

Voltage	12VAC - DC
Power consumption	1W
Dimensions	Ø 20 mm

Code	Description	Price
95104124	DecaLED® G4 lamp replacement white 8500K	See pricelist
95104128	DecaLED® G4 lamp replacement warm white 3500K	See pricelist

DecaLED® Downlight 4x1W

Product specification

Voltage	12VAC - DC
Power consumption	4W
Dimensions	78 x 50 mm

Code	Description	Price
95106124	DecaLED® Downlight 4x1W white 6500K	See pricelist
95106128	DecaLED® Downlight 4x1W warm white 3000K	See pricelist

Other colours available on request

DecaLED® High Power Replacement Bulbs offer a wide selection of LED replacement bulbs for every installation. We offer LED replacement products for G4, MR11, MR16, GU10, AR.111, E14 and E27 fixtures, all of which are equipped with high quality Luxeon or Cree LEDs.

DecaLED® High Power Replacement Bulbs have been selected by Lagotronics for their use of high quality LEDs, as well as for their high quality finish and internal circuit. Depending on the LED replacement light source, a revision of existing installations can deliver energy savings of between 50-85%. DecaLED® LED lights have an expected service life of 20,000 burning hours. When replacing an existing installation, we recommend that you recalculate the load on the transformers. When using LEDs, the load on the transformer is often much lower and therefore the transformer has a higher output voltage. All products are equipped with Luxeon or Cree LEDs, with the exception of the G4 version, which incorporates 4 high quality, flux LEDs.

Other products that can be used as a replacement are the LagoLED® Beam SC.111 and the DecaLED® Color Beam 12, which can be found on pages 23 and 87.

A demo set of this product is available. The demo set contains a 3 and 5W MR16 in cool white, a 3 and 5W MR16 in warm white and a cool white and warm white MR11. The colour and finish of the MR16 is similar to that of the GU10. Please see page 128 of this catalogue for further information.

Lagotronics advises not to use these LED replacement bulbs within enclosed fixtures as to minimise the risk of overheating and guarantee their lifespan.

DecaLED® High power GU10

Product specification

Voltage	85-260V AC
Power consumption	3W
Dimensions	Ø 50 x 50 mm

Code	Description	Price
95103904	DecaLED® HP GU10 3W white 6500K	See pricelist
95103908	DecaLED® HP GU10 3W warm white 3200K	See pricelist

DecaLED® High power GU10

Product specification

Voltage	85-260V AC
Power consumption	5W
Dimensions	Ø 50 x 50 mm

Code	Description	Price
95119904	DecaLED® HP GU10 5W white	See pricelist
95119908	DecaLED® HP GU10 5W warm white	See pricelist

Single colour

Demo set page 128

DecaLED® High power AR111

Product specification

Voltage	12VAC - DC
Power consumption	4W max
Dimensions	Ø 111 mm

Code	Description	Price
95101024	DecaLED® HP AR111 white 5000K	See pricelist
95101028	DecaLED® HP AR111 warm white 3000K	See pricelist

DecaLED® High power E27 7x1W

Product specification

Voltage	85-260VAC
Power consumption	12W max
Dimensions	Ø 95 x 75 mm

Code	Description	Price
95118904	DecaLED® HP E27, 7x1W, white 6000K	See pricelist
95118908	DecaLED® HP E27, 7x1W, warm white 3000K	See pricelist
