

Rebel Module

Rebel Driver

High Power DMX

The DecaLED® Rebel Modules incorporate the latest technologies in the field of LED lighting and are ideal for multicoloured cove and (glass) wall lighting applications. The Rebel Modules are compact, yet have a very high light output.

Thanks to the use of Rebel LEDs, these modules are smaller, more efficient and have a higher light output than products with Luxeon LEDs. The DecaLED® Rebel Modules measure 100x18x20 mm and are equipped with 3 Rebel LEDs. The version with integrated lenses has a beam angle of 25°. Without lenses, the beam angle is 100°. DecaLED® Rebel Modules can be connected to both the DecaLED® High Power DMX Controller TV and the DecaLED® Rebel Driver. DecaLED® Rebel Modules have a power consumption of 5 Watts each. A maximum of 6 units may be linked to each output on the DecaLED® High Power DMX TV controller; the DecaLED® Rebel Driver can control a maximum of 12 connected units. A terminator is mandatory.

Warning: The usage of DecaLED® Rebel Modules in combination with the DecaLED® Rebel Driver can cause interference with TV cameras. For interference-free use you require a DecaLED® High Power DMX Controller TV.

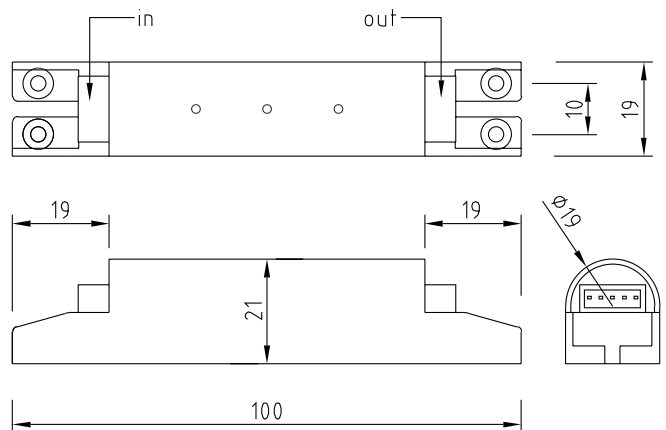

Various accessories are available from stock for the DecaLED® Rebel Modules, including starter cables and a terminator.

The DecaLED® Rebel Modules are available in 2 versions, with and without lenses. Single colour versions are only available on request.

DecaLED® Rebel Module

Product specification

Code	95107509	95107519
Description	DecaLED® Rebel Module RGB with lenses	DecaLED® Rebel Module RGB no lenses
Price	See pricelist	See pricelist
Current	3 x 350mA	
Power consumption	5W	
Connection	5-pin terminal	
Control	DecaLED® Luxeon Rebel Driver	
LED properties	3 x 1W Rebel LEDs	
Beam angle	25°	100°
Colour range	RGB	
Housing	aluminium housing and UV resistant polycarbonate	
Operating temperature	-10°C to +50°C	
Ambient temperature	-20°C to +70°C	
Dimensions	100 x 18 x 20mm	
Weight	50g	
Expected lifespan	50.000 hours	
Certification	CE	
Info	Including 10cm link cable
